

## HOW TO...

# BIBLE DISCOVERY METHOD

01

### Read a short passage

Read a short passage (5-10 verses).  
Reread it from a different version.  
*(youversion app is a great Bible app for this).*

02

### Retell the story

Close up the scripture and retell the story in your own words. Help each other out with this step.

03

### Read again silently

Spend a couple of minutes rereading the passage quietly. Silently pray that the Spirit will speak from the passage directly to the heart.

04

### Ask 'open-ended' questions

Ask questions like, What stood out to you in this passage? What does this say about God? What is God saying to us / you?

05

### Commit

Let them suggest their own commitment to whatever God is saying to them.  
"What are you going to do about it?"

Be sure to follow up next time you meet with how they went with their commitment.
